DRAFT FREDONIA VILLAGE BOARD MEETING MINUTES Thursday, January 4th, 2024 at 7:00 PM Fredonia Government Center - Board Room

242 Fredonia Avenue, Fredonia, Wisconsin

- 1. President Gehrke called the meeting to order at 7:00PM followed by the Pledge of Allegiance.
- Trustees Present: President Gehrke, Trustee Paape, Trustee Haas, Trustee Abegglen, Trustee Dohrwardt, Trustee Bartz, Trustee Meyle.
 Staff Present: Administrator Jenkins, Clerk Johnson Public Present: Member of press
- 3. **Public Comments**: Trustee Bartz solicited volunteers for the Illuminated Winter Walk on January 20th at 6:00PM at Marie Krause Park.
- Motion to Approve Minutes of December 7th, 2023 Village Board Meeting and General Fund, Water and Sewer Invoices made by Trustee Dohrwardt. Seconded by Trustee Haas. Passed by unanimous voice vote.
- 5. Report on Village Committees by:
 - a) Joint Review Board: Trustee Abegglen provided an update on the meeting of the JRB, stating that the Citizen Member remained the same. The JRB reviewed the TID #3 annual report and adjourned.
- 6. Items for Discussion and/or Action
 - a) Motion to Approve 2022 and 2023 Updates to Village Code of Ordinances by General Code, Not to Exceed \$12,000 made by Trustee Dohrwardt. Seconded by Trustee Abegglen. Clerk Johnson explained that this was a budgeted expense to update the changes made to the Village's Code of Ordinances over a two-year span. The estimate was what she anticipated, given the changes to the clerk-treasurer position made in 2022. Passed by unanimous voice vote.
 - b) Motion to Approve BCPL State Trust Fund Loan Application in the Amount of \$106,100.00 for the Purpose of Financing the Purchase of a Skid Steer and Pickup Truck made by Trustee Dohrwardt. Seconded by Trustee Meyle.

Administrator Jenkins explained that there were two groups of borrowing accounted for in the 2024 budget. The purchase of equipment was not eligible under the larger bond. Staff researched rates at local banks and found the most competitive rate, 6.25%, was with a State Trust Fund Ioan. Trustee Dohrwardt asked if there was a prohibition to refinance in the future. Administrator Jenkins responded that there was not. Trustee Dohrwardt asked if both vehicles would be billed in 2024. Administrator Jenkins said they would be. He then shared a graph exhibiting projected debt service. Because there had been questions on social media about raised taxes, he wished to illustrate that the Village was paying down enough existing debt to take on more without an impact to the taxpayers. Trustee Meyle asked why the Village was borrowing for a budgeted expense. Administrator Jenkins responded that the budget had planned on borrowing for these items.

Passed by unanimous voice vote.

c) Motion to Approve Resolution 2024-01 to Borrow Funds and Levy Tax in the Amount of \$106,100.00 for the Purpose of Financing the Purchase of a Skid Steer and Pickup Truck made by Trustee Haas.
Constant Approve Resolution 2024-01 to Borrow Funds and Levy Tax in the Amount of \$106,100.00 for the Purpose of Financing the Purchase of a Skid Steer

Seconded by Trustee Bartz.

President Gehrke introduced Resolution 2024-01 which was included in the packet:

The following preamble and resolutions were presented by Trustee ______ and were read to the meeting.

By the provisions of Sec. 24.66 of the Wisconsin Statutes, all municipalities may borrow money for such purposes in the manner prescribed, and,

By the provisions of Chapter 24 of the Wisconsin Statutes, the Board of Commissioners of Public Lands of Wisconsin is authorized to make loans from the State Trust Funds to municipalities for such purposes. (Municipality as defined by Sec. 24.60(2) of the Wisconsin Statutes means a town, village, city, county, public inland lake protection and rehabilitation district, town sanitary district created under Sec. 60.71 or 60.72, metropolitan sewerage district created under Sec. 200.05 or 200.23, joint sewerage system created under Sec. 281.43(4), school district or technical college district.)

THEREFORE, BE IT RESOLVED, that the Village of Fredonia, in the County(ies) of Ozaukee, Wisconsin, borrow from the Trust Funds of the State of Wisconsin the sum of One Hundred Six Thousand One Hundred And 00/100 Dollars (\$106,100.00) for the purpose of financing the purchase of skidsteer and pickup truck and for no other purpose.

The loan is to be payable within 10 years from the 15th day of March preceding the date the loan is made. The loan will be repaid in annual installments with interest at the rate of 6.25 percent per annum from the date of making the loan to the 15th day of March next and thereafter annually as provided by law.

RESOLVED FURTHER, that there shall be raised and there is levied upon all taxable property, within the Village of **Fredonia**, in the County(ies) of **Ozaukee**, Wisconsin, a direct annual tax for the purpose of paying interest and principal on the loan as they become due.

RESOLVED FURTHER, that no money obtained by the Village of Fredonia by such loan from the state be applied or paid out for any purpose except financing the purchase of skidsteer and pickup truck without the consent of the Board of Commissioners of Public Lands.

RESOLVED FURTHER, that in case the Board of Commissioners of Public Lands of Wisconsin agrees to make the loan, that the president and clerk of the Village of Fredonia, in the County(ies) of Ozaukee, Wisconsin, are authorized and empowered, in the name of the Village to execute and deliver to the Commission, certificates of indebtedness, in such form as required by the Commission, for any sum of money that may be loaned to the Village pursuant to this resolution. The president and clerk of the Village will perform all necessary actions to fully carry out the provisions of Chapter 24 Wisconsin Statutes, and these resolutions.

RESOLVED FURTHER, that this preamble and these resolutions and the aye and no vote by which they were adopted, be recorded, and that the clerk of this Village forward this certified record, along with the application for the loan, to the Board of Commissioners of Public Lands of Wisconsin.

Passed by unanimous roll call vote:

President Gehrke: Aye Trustee Paape: Aye Trustee Haas: Aye Trustee Abegglen: Aye Trustee Dohrwardt: Aye Trustee Bartz: Aye Trustee Meyle: Aye

- 6. **Correspondence-** *President Gehrke shared the invitation to Mid Moraine Municipal Association dinner on January 24th, 2024.*
- 7. Items for Future Consideration by Village Board: none.
- Motion to Adjourn made by Trustee Abegglen. Seconded by Trustee Meyle. Passed by unanimous voice vote.

Meeting Adjourned 7:16PM.

Respectfully Submitted,

Michelle T. Johnson Village Clerk

Parks and Recreation Committee Wednesday, January 10, 2024 at 7:00 PM Fredonia Government Center - Board Room 242 Fredonia Avenue, Fredonia, Wisconsin

Winter Walk Discussion:

volunteers -

Dan & Kurt to man the bonfire

Jamie & Nicole to handle Hot Chocolate

Balance of volunteers to help guide walkers through the woods

Dan to donate hot chocolate

Tiffany to donate cups

We will set up lights every 10-15 feet

team to meet at the park around 2 for set up and start clean up around 9

We will then meet back around 5:30 for final set up

Nicole will bring a bin for Food Donation

Tiffany to drop off donations to Ozaukee Food Alliance

Chris to talk to FD about lights for the park and make sure garbage cans are available and bathrooms are available for use

River Edge - Stony Creek Clean Up

Dan will reach out to Brianna at River Edge about what a "clean up" entails. What do they envision will happen for this event.

P & R would like to schedule something for April/May time frame

Area's to look at: Between Martin Ave & Fredonia Ave as well as North of Martin Ave by N Milwaukee St.

Items for future consideration:

Fire works - schedule call with Fireworks company and determine budget number

Mudonia - We would like to schedule this for July 27th - More info to come

Mel's Canoe Run - Dan is going to reach out to Mel's to see if Parks & Rec and Friends of Fredonia could set up at tent at Waubedonia Park to sell concessions at the start of the Canoe Run

Movie in the Park - Discussed having 1 movie this summer. More to be determined

President Gehrke called for Adjournment

Trustee Meyle Second

From the Desk of: Christophe E. Jenkins Village Administrator

January 2024 Village Administrators Report

1. Smart Residential, Industrial, and Commercial Growth

Calls and meetings have taken place with various economic development entities to engage possible developers and learn of grant opportunities to help the village. Engineering is just about complete for Innovation Drive in time for us to go out to bid on this immense project. Engineering for Highland also continues with a plan to bid out after Innovation Drive.

2. Responsible Fiscal Policy

Tax collection has been in full swing in our offices – this has truly been a team effort with everyone stepping up to assist. Our December reconciliation was processed successfully and we continue to collect in-house until the end of January.

Pre-audit work has been submitted to Baker Tilly as compiled by our Treasurer and Workhorse. Unaudited numbers show that we ended 2023 with a positive net change in general fund – a first in over 5 years, which is a positive testimony to the work we've been doing. We're are going through the steps for our 2024-25 bonding which includes capital improvement projects and industrial park road build out. Treasurer Depies and I began 2024 inputting our line items and making sure everything is booking to appropriate accounts to start the year on a positive note.

3. Support Public Safety & Infrastructure

First off, we have 3 full-time paramedics! With the addition of Casey Bielen we become the first Ozaukee County Fire Department to fulfill out hiring requirements for the Ozaukee County Paramedic grant. Thanks to aggressive hiring and our unique opportunity to trailblaze in the northern part of the county, we've been able to recruit and retain these important personnel. Chief Weyker and I have begun conversations on highlighting metrics and costs of operation to monitor over the next year to ensure future success for this program.

Head Marshal Mike Davel announced he will be officially retiring from Fredonia end of March. He and Sergeant Leet have been planning a smooth transition with most of the office work now being retained by Leet. The Public Safety Committee plans on meeting in advance of the end of March to give the final blessing on the transition, and we look forward to facilitating this changeover.

DPW Staff has been busy with normal winter maintenance items throughout the village, including the recent onslaught of snow. Thank you for the incredible effort!

4. Encourage Open Communication & Collaboration

Candidates for the April 2024 General Election were certified for inclusion on the ballot. Those candidates for Village Trustee positions are: Jessica Franck, Richard Abegglen, and Natalie Eippert

Congratulations to these candidates for their willingness to step up and serve our community!

Digicorp completed their transfer of our email and office software. There are still a few hiccups along the way, but we've been able to move forward pretty seamlessly. Thank you to Clerk Johnson for her assistance in monitoring this process and fielding inquiries as they've come in.

5. Strong Sense of Community

The Friends of Fredonia Parks and Rec have begun strong with a key group of elected officials and establishment of their by-laws, finances, and best practices. They've begun their planning for assisting with our events throughout the year. Trustee Bartz and the Parks Committee have also begun their planning for an exciting 2024! The planned Winter Walk through Marie Krause Park has been rescheduled to February 17, 2024 from 5-8pm, in deference to the Packers' continuing season. Go Pack go!

Overall, we continue to make significant progress in achieving the Village of Fredonia's overarching goals.

Thank you,

Christophe E. Jenkins – Village Administrator

Equipment Continued

Both squad cars are equipped with a Mobile Data Terminal (MDT). The MDT allows the officer to send and receive information directly from the squad car, i.e.. Registration checks, Driver's License status, wants/warrants, information from other Jurisdictions.

The installation of the MDT has had tremendous impact on our day to day operations. By installing the MDT we opened communication accounts with the State that will benefit the Village and Department in the future. The workstation at the office has been all capabilities of the squads. We do 80% of our work from the squad.

Water

All testing was completed for 2023. Lead and Copper that was tested in July was finally completed after a Lab mix up that sent the samples into a wastewater matrix and not water. All houses that were tested were notified of the results.

Wastewater

Clarifier was completed and up and running. All pumps at the plant had their annual maintenance. Both lift stations had the maintenance done and found Ridgeway lift station has some pipe and check valve problems.

Parks

Was able to get a little more work done in the parks due to no snow. All Christmas decorations were installed on the poles and Freedom Park trees were lit without a problem.

Streets

Cold patching continued due to nice weather. Street sweeper made a tour.

Director

Getting all snow equipment ready for snow. Dump truck blew the radiator fan and now waiting for parts. 2012 Ford pick up has multiple lights not working on the truck.

January 18th, 2024 Update to the Board

January has been spent receipting tax bills, water bills, and processing animal licensing. Chicken permits are due at Village Hall by January 31st and dog licenses are due by March 31st.

I worked with Digicorp on residual cleanup from our migration. I encourage trustees to archive any emails that you would normally delete. I will have access to archived emails in the event of a public records request but will lose access to deleted emails after a certain number of days. There is the possibility that we would have to pay Digicorp an hourly rate to retrieve responsive deleted emails, which we would have to pass on to the person making the public records request.

I completed the Winter installment of the newsletter, thanks to all who contributed! We continue to get great feedback from residents who are happy to have this type of community outreach. To continue the positive momentum of Village outreach and transparency, we will begin streaming all committee meetings live via zoom (just like a Board of Trustees meeting). Most meetings will need to take place in the boardroom to take advantage of the technology. As committee chairs schedule meetings, we can discuss how to set up the meeting for success.

I met with the three candidates up for election at the April 2, 2024 Spring election and helped them complete ballot access documents. We drew lots on Monday, January 8 to determine the order in which candidates will appear on the ballot. The order is as follows:

- 1. Richard Abegglen
- 2. Natalie M. Eippert
- 3. Jessica Franck

All candidate information has been sent to the county, entered into WisVote, and shared with the press.

We extended Village Hall hours to accommodate statutory deadlines regarding nomination papers.

We have two trainings scheduled for election inspectors on January 23rd and February 6th. This will be a two-hour training that will bring our seasoned staff up-to-date with changes in election law and offers a refresher on election day processes. One of my Chief Inspectors, Jessica Franck, will appear on the ballot in April and is disqualified from working on Election Day. We trained a back-up Chief Inspector at our November training, and I'm excited to welcome Clara Paulus as an assistant Chief Inspector. DPW Director Paulus and I plan to complete an accessibility study at Village Hall in anticipation of accessibility audits in the 2024 election cycle. We will also take advantage of state-funded accessible election day supplies, including increased signage, reading guides, and traffic cones (maybe to place in front of the boulder hit last year on election night!)

There is no Spring Primary.

Report Prepared By: Clerk Johnson

Report Date: 12/28/2023

Strategic Priority?

- o Smart Residential, Industrial, or Commercial Growth
- Responsible Fiscal Priority
- Supports Public Safety and Infrastructure
- Encourages Open Communication and Collaboration
- Strong Sense of Community

Fiscal Summary: No fiscal impact, as election inspectors are paid the same rate

Budget Line Item: N/A

Wisconsin Statute or Local Ordinance: Wis. Stat. § 7.30(1)(a) and Ordinance § 76-4 Election inspectors and other election officials.

Background Analysis: The Village has historically utilized split shifts when staffing for elections. Wis. Stat. § 7.30(1)(a) obligates the Village to codify using 2 sets of workers on election day:

"A municipal governing body may provide by ordinance for the selection of alternate officials or the selection of 2 or more sets of officials to work at different times on election day, and may permit the municipal clerk or board of election commissioners to establish different working hours for different officials assigned to the same polling place."

Adoption of this ordinance will bring the Village into compliance with State law.

Staff Comments: Our election inspectors wish to carry on working half days on long election days. I prefer to use two sets of workers as it keeps minds fresh, especially for end-of-night reconciliation. This addition to our ordinances will also allow the clerk to select alternative inspectors after fully staffing an election to fill in the event of an illness or absence of a scheduled inspector.

Administrator's Recommendation: Approve

Action Requested: Motion to Approve Ordinance 2024-01 Pertaining to the Split Shifts of Election Inspectors.

1. Ordinance 2024-01

ORDINANCE 2024-01

AN ORDINANCE AUTHORIZING TWO OR MORE SETS OF ELECTION INSPECTORS TO WORK AT DIFFERENT TIMES ON ELECTION DAY

WHEREAS, Wis. Stat. § 7.30 sets forth the procedures to be used in the appointment, number, qualifications, and training of election inspectors, commonly known as poll workers; and

WHEREAS, there are other individuals who are or may be appointed to tasks relating to the administration of an election, and any individual charged with any duties relating to the conduct of an election is an "election official" as defined by Wis. Stat. § 5.02(4e); and

WHEREAS, Wis. Stat. § 7.30(1)(a) allows a municipal governing body to, by ordinance, select alternate officials or 2 or more sets of officials to work at different times on election day; and

WHEREAS, allowing election inspectors to work a half-day or other partial shift helps ensure an adequate number of poll workers for elections held within the Village;

THEREFORE, the Village Board of the Village of Fredonia does ordain as follows:

That Section 76-4 of the Village of Fredonia Code of Ordinances be created to read as follows:

§ 76-4 Election inspectors and other election officials.

Pursuant to the authority of Wis. Stat. § 7.30(1)(a), the Village Clerk may do any or all of the following:

- a. Select alternate election officials;
- b. Select 2 or more sets of election officials to work at different times on election day;
- c. Establish different working hours for different election officials assigned to the same polling place.

The selection, number, qualifications, and other procedures relative to election inspectors and other election officials shall be governed by Wisconsin Statutes.

PASSED AND ADOPTED by the Village Board of the Village of Fredonia, Ozaukee County, Wisconsin this 1st day of February, 2024.

Background Analysis: Per current laws only one medical care during an incident, therefore, without receive any reimbursement for supplies/services.	e ambulance service can invoice a patient for t this agreement the Village of Fredonia would not	
Staff Comments: This is a request for the Village intercept agreement between the Village of Fredo Fire Department.		
This agreement will allow for a \$300 fee to be collected for all Paramedic Intercept requests that the Village of Fredonia Fire Department responds to and provides patient care for with Waubeka Fire Department. This \$300 fee is meant to cover supply / equipment costs used by paramedics during EMS/Rescue incidents where services are required.		
This paramedic intercept agreement will trigger an automatic response from Village of Fredonia Fire Department – Paramedics, pending the call critique level thru Emergency Medical Dispatching (Provided by Ozaukee Sherriff Department Dispatch) on the pending EMS/Rescue Incident.		

This agreement serves three purposes: allows Waubeka Fire Department - Ambulance to invoice the patient additional charges for higher level of care services provided during an EMS/Rescue incident that requires a paramedic, allows Village of Fredonia Fire Department – Ambulance to be reimbursed thru Waubeka Fire Department for paramedic supplies and services provided to their patient, and most importantly allowing a much closer service to provide paramedic level care to the residents in the Waubeka Fire Department territory (vs. paramedics from Port Washington).

NOTE:

Agreements like this are only made with neighboring communities that support an ambulance service. Example: Belgium Fire Department does not maintain an ambulance service (We are their ambulance service), therefore, no agreement with Belgium Fire Department would be required.

Administrator's Recommendation: Approve

Action Requested: Motion to Approve ALS-Paramedic Intercept Agreement Between the Village of Fredonia and Waubeka.

ADVANCE LIFE SUPPORT-PARAMEDIC INTERCEPT AGREEMENT

This agreement sets forth the policies and procedures deemed necessary to ensure the fair and orderly management of medical emergency incidents for which area Fire Departments call upon the Village of Fredonia Fire Department for Medical Intercept Aid (Paramedic Intercepts). This procedure shall govern requests for and provision of Intercepts with area departments, and payment of Intercept fees associated with those requests.

1. Requests for Aid

Requests for an Intercept may be made by any department's Officer or Designee authorized to request such assistance.

The Village of Fredonia Fire Department upon receiving a request for an Intercept shall immediately notify the requesting department if the Intercept cannot be provided.

2. Authority

The department requesting the Intercept shall be in command of the emergency operations and site in accordance with the Incident Command System (ICS) guidelines. A department requesting an Intercept may delegate certain command authority to the personnel providing the Intercept.

A department requesting an Intercept, although in ultimate command of the emergency operation, should respect the command and authority of the personnel providing the Intercept. Personnel from the Village of Fredonia Fire Department who are providing the Intercept shall be under the immediate supervision and ultimate authority of their Medical Control Physician and the Medical Protocols in place governing the specific injury or condition of the patient(s).

3. Operation

When providing an Intercept, the Village of Fredonia Fire Department personnel shall contact the incident commander prior to arrival at the scene, or arrival at the designated meeting point. The Incident Commander shall supply a comprehensive report of the patient's medical condition as is reasonably obtainable. This report shall include; type of illness, mechanism of injury, assessment of patient condition, and any treatment or interventions applied.

The parties shall designate a meeting point, if not at the original scene, and a time of estimated arrival. The Intercept Team shall transfer themselves and their equipment to the requesting department's ambulance. The requesting department shall furnish one (1) person to drive the Fredonia Fire Department vehicle to the receiving hospital or an agreed upon location, in a non-emergency mode.

4. HIPAA

All parties to this agreement shall comply with the provisions of the Health Insurance Portability and Accountability Act of 1996. All patient medical records are confidential and all parties to this agreement shall comply with all laws respecting the same.

5. Medicare Anti-Kickback Statute

All parties to this agreement shall comply with the Medicare Anti-Kickback Statute, or any State antikickback statute. Any payments following the provision of an Intercept shall be consistent with what the parties reasonably believe to be the fair market value of the services provided. Any remuneration, benefit, or privilege provided for under this Agreement shall not influence nor in any way be based on the referral or recommended referral by either party of patients to the other party.

6. Termination

This Advanced Life Support Agreement can be terminated at any time for any reason by either party (30) days advance written notice by the terminating party to the non-terminating party.

7. Cost of Operations

A department requesting an Intercept shall be solely responsible for costs and expenses incurred at, or as a result of the Intercept. A department requesting aid shall be billed for services provided, in accordance with the fee schedule set by the Village of Fredonia and/or its EMS billing Service.

The balance is due upon receipt of the invoice from the Village of Fredonia Fire Department's EMS billing company.

Intercept fees are reviewed annually, and will be changed as necessary to cover the costs of providing the Intercept. Intercept fee changes will be reviewed and approved by the Village of Fredonia Fire Chief and Village of Fredonia Administrator.

The current Flat Fee for Paramedic Intercept is \$300.00 per transport.
